## Subject Index

### Abdominoplasty

- abdominoplasty (Schurter and Letterman), *how I do it*, 235; *colloquium* (Grazer and Klingbeil), 239, (Regnault), 242, (Planas), 243
- mammary reduction combined with abdominoplasty (Baroudi et al), 368

### Aesthetic plastic surgery

- how it affects the way patients are perceived by others (Kalick), 128; invited comment (Fredricks), 133
- who are its practitioners? what should they be? (González-Ulloa), *editorial*, 3

### Aging, of upper lip (González-Ulloa), 299

- Amastia, reconstruction of with complication (Taylor), *case report*, 531

### Anatomy

- anatomical basis for common cosmetic anterior neck deformities (Vistnes), 381
- intercostal flap, anatomical and hemodynamic approach (Kerrigan and Daniel), 411

- Ankle, cross-foot flap for coverage of (Cervino and Thotam), *case report*, 72

### Annals of Plastic Surgery

- additions to Editorial Board (Stark), *message from the editor*, 367
- first year of publication completed (Stark), *message from the editor*, 1

### Arteries

- effects of suturing technique and vessel size on patency after microarterial repair (Wray and O'Brien), 233

### As I remember

- John Davies Reese and the Reese dermatome (Stark), 80
- recollections of John Staige Davis (Pickrell et al), 346
- Sir Archibald McIndoe (Rees et al), 167

### Ask the *Annals*

- have myocutaneous and microvascular flaps completely outmoded classic pedicle flaps? (Jurkiewicz), 176

### Background

- Bovie: the man and the machine (Goldwyn), 135
- Duchenne de Boulogne and clinical photography (Cuthbertson and Hueston), 332

- Biomicroscopy, slit-lamp (Turtz and Fisher), *over the fence*, 177

### Blepharoplasty

- correction of the "too high" supratarsal fixation (Ellenbogen), *case report*, 341
- forehead and brow lifts and their relationship to blepharoplasty (Dingman et al), 32

- Blepharospasm (Callahan), *over the fence*, 266

January issue, pp 1-94; February issue, pp 95-182; March issue, pp 183-270; April issue, pp 271-366; May issue, pp 367-458; June issue, pp 459-544.

- Blindness, following reduction of a malar fracture (Butt), *case report*, 522

### Book critiques

- Clinical Anatomy for Medical Students*, by Snell (Travill), 542
- New Concepts in Maxillofacial Bone Surgery*, edited by Spiessl (Schultz), 89
- Practical Ophthalmic Plastic and Reconstructive Surgery*, by Reeh, Beyer, and Shannon (Schurter), 180
- Reconstructive Plastic Surgery*, second edition, edited by Converse (Goldwyn), 89
- Regional Flaps of the Head and Neck*, by Conley (Mouly), 180
- The Source Book of Plastic Surgery*, by McDowell (Snyder), 360
- Wound Repair*, second edition, by Peacock (Manchester), 359

- Bovie, the man and the machine (Goldwyn), *background*, 135

### Breast

- augmentation mammoplasty, a surgical and psychiatric evaluation of results (Ohlsén et al), 42
- capsular contraction around silicone mammary prostheses (Gayou and Rudolph), *overview*, 62
- custom-fabricated silicone implants for contour restoration of (Lash et al), 97
- mammary reduction combined with reverse abdominoplasty (Baroudi et al), 368
- mastopexy and augmentation for correction of the small, ptotic breast (Owsley), 195
- multicentric ductal and lobular atypia and occult carcinoma in prophylactic subcutaneous mastectomy (Goin and Kern), 121
- reconstruction after mastectomy (Guthrie and Imber), 273
- reconstruction of congenital amastia with complication (Taylor), *case report*, 531
- reduction mammoplasty (McKissock), *how I do it*, 321
- reduction mammoplasty with maximum superior subdermal vascular pedicle (Conroy), 189
- volume reduction mammoplasty (Cloutier), 475

### Burns

- guide for resuscitation of burn patients (Freshwater and Su), 298
- prevention of fire burns (De Palma), 304
- review of mortality in the burn units at Victoria General Hospital and Izaak Walton Killam Hospital (Tweed and Ross), 491
- toward an ideal burn treatment center (Johnson), *editorial*, 271

- Calf augmentation, preliminary report (Carlsen), 508

Cancer. *See also* Tumors

- geographic technique for margin control (Rappaport et al), 264
- multicentric ductal and lobular atypia and occult carcinoma in prophylactic subcutaneous mastectomies (Goin and Kern), 121
- neurogenic tumors of the head and neck in children (Rice and Coulthard), *overview*, 441
- of Stensen's duct (Clairmont et al), *case report*, 158
- prognostic indicators of malignant melanoma (Siminovitich et al), 397
- role of the plastic surgeon in a cancer hospital (Sinclair), *overview*, 246
- unsuspected adenoid cystic carcinoma in secondary rhinoplasty (Goldwyn and Strome), *case report*, 338

Carcinoma. *See* Cancer

Case reports

- carcinoma of Stensen's duct (Clairmont et al), 158
- conservative treatment of keratoacanthoma (Stranc and Robertson), 525
- correction of persistent lower eyelid deformity caused by a displaced orbital floor implant (Wolfe), 448
- correction of the "too high" supratarsal fixation (Ellenbogen), 341
- cross-foot flap for ankle coverage (Cervino and Thottam), 72
- dynamic correction of intractable vaginal prolapse (Dibbell), 254
- free groin flap for reconstruction of the scalp following tumor resection (Kaplan et al), 445
- lipoma of the thumb in a child (Kalisman and Beck), 165
- monitoring visual evoked response during craniofacial surgery (Handel et al), 257
- pretracheal cervical granular cell myoblastoma (Polack), 75
- reconstruction of congenital amastia with complication (Taylor), 531
- replantation of the heel in a child (Van Beek et al), 154
- sudden blindness following reduction of a malar fracture (Butt), 522
- symmetrical lipodystrophy with hypothyroidism (Taylor and Wilansky), 517
- unsuspected adenoid cystic carcinoma in secondary rhinoplasty (Goldwyn and Strome), 338

Cheeks

- augmentation and corrective malarplasty (Agban), 306
- sudden blindness following reduction of malar fracture (Butt), *case report*, 522

Chemical peeling, as a method for removing rhytides of upper lip (Baker and Gordon), 209

Cleft lip

- centripetal rotation-advancement for cleft lip nasal deformities (Gorney and Rosenberg), 374

immediate postoperative care of a child with cleft lip (Johnson), 430

lip adhesion—a passing fad? (Scrimshaw), *editorial*, 183

Cleft palate

- bone flaps for (Wynn), *letter*, 362; reply (Meijer), 362
- tomographic diagnosis of palatal defects (Michel et al), 229

Cryptotia, surgical correction of (Argamaso), 109

Davis, John Staige (Pickrell et al), *as I remember*, 346

Donor site

- new polymer-iodine combination (Iodoplex) for treatment of donor sites (Hirshowitz et al), *gadgets*, 84
- theoretically ideal donor site dressing (Birdsell et al), *gadgets*, 535

Drooling, parotid duct transplantation surgery to control (Massengill et al), 205

Duchenne de Boulogne, and clinical photography (Cuthbertson and Hueston), *background*, 332

Ear

non-Hodgkin lymphoma of the parotid gland (Macht et al), 37

surgical correction of cryptotia (Argamaso), 109

Editorial Board, additions to (Stark), *message from the editor*, 367

Editorials

aesthetic plastic surgery: who are its practitioners? what should they be? (González-Ulloa), 3

lip adhesion—a passing fad? (Scrimshaw), 183

plastic surgery: specialty or standard of excellence? (Bossé), 466

semantic inaccuracy and honesty (Scrimshaw), 95

toward an ideal burn treatment center (Johnson), 271

trends: the practice of plastic surgery in Canada (Farmer), 460

Electrosurgery

Bovie: the man and the machine (Goldwyn), *background*, 135

Esophagus

pharyngoesophageal reconstruction (Mazzola et al), 219

Eyes

blepharospasm (Callahan), *over the fence*, 266

correction of persistent lower eyelid deformity caused by a displaced orbital floor implant (Wolfe), *case report*, 448

improving results in orbital hypertelorism correction (Munro and Das), 499

sudden blindness following reduction of a malar fracture (Butt), *case report*, 522

Face

monitoring visual evoked response during craniofacial surgery (Handel et al), *case report*, 257

Facelift. *See* Rhytidectomy

## Flaps

- bone flaps for cleft palate (Wynn), *letter*, 362; reply (Meijer), 362
- centripetal rotation-advancement for cleft lip nasal deformities (Gorney and Rosenberg), 374
- cross-foot flap for ankle coverage (Cervino and Thottam), *case report*, 72
- free groin flap for reconstruction of the scalp following tumor resection (Kaplan et al), 445
- have myocutaneous and microvascular flaps completely outmoded classic pedicle flaps? (Jurkiewicz), *ask the Annals*, 176
- intercostal flap (anatomical and hemodynamic approach) (Kerrigan and Daniel), 411
- split groin flaps (Hacker), *letter*, 455
- versatility of lumbar transposition flaps for meningocele skin defects (Bajaj et al), 103; invited comments (Davies and Adendorff), 107

## Forehead

- forehead and brow lifts (Dingman et al), 32
- section of the frontalis-procerus-corrugator aponeurosis in the correction of frontal and glabellar wrinkles (Pitanguy), 422

## Gadgetry

- aids in mesh grafting (Freshwater), 353
- double-ended Adson-type forceps (Tegtmeyer), 352
- geographic technique for margin control in skin cancer (Rappaport et al), 264
- new polymer-iodine combination (Iodoplex) for donor site treatment (Hirshowitz et al), 84
- technique for achieving stability when wiring small bone fragments (Brody), 259
- theoretically ideal donor site dressing (Birdsell et al), 535

## Grafts. *See also* Flaps

- advantages of interpositional long venous grafts in microvascular surgery (Staub and Morel-Fatio), 16
- aids in mesh grafting (Freshwater), *gadgetry*, 353
- bridal veil nylon in skin grafting (Freeman), *letter*, 182; reply (DiGregorio), 182
- in situ rib split graft (Hetter), 434

Heel, replantation of in a child (Van Beek et al), *case report*, 154

Hernia repair, management of (Iles), *over the fence*, 538

## How I do it

- abdominoplasty (Schurter and Letterman), 235; *colloquium* (Grazer and Klingbeil), 239, (Regnault), 242, (Planas), 243
- management of leg ulcers by muscle transposition (Ger), 53; *colloquium* (Dibbell), 59
- pharyngoplasty (Lindsay), 511
- reduction mammoplasty (McKissock), 321

Hypertelorism, improving results in orbital correction (Munro and Das), 499

Hypospadias correction, review of long-term use of pull-through sutures (Gupta), 316

Irradiation, lethal, treatment with immune cell populations (Mandel), 213

Keratoacanthoma, conservative treatment of (Stranc and Robertson), *case report*, 525

Laser, carbon dioxide, tattoo removal using (Brady et al), 482

Leg ulcers, management of (Ger), *how I do it*, 53; *colloquium* (Dibbell), 59

## Letters

- bridal veil nylon in skin grafting (Freeman), 182; reply (DiGregorio), 182
- bone flaps for cleft palate (Wynn), 362; reply (Meijer), 362
- how to save fifteen minutes a year and perhaps a life (Johnson), 543
- John Davies Reese (Griswold), 455
- septorhinoplasty photos (Cohen), 455; reply (Courtiss), 455
- split groin flap (Hacker), 455
- staircase closure of lower lip (Alexander), 543; reply (Sullivan), 543
- transsexual surgery (Foerster), 269; reply (Simon), 269
- Z-plasties in the ER? (McDowell), 454; reply (Metzger), 454

## Lip

- aging upper lip (González-Ulloa), 299
- chemical peeling for removing rhytides of the upper lip (Baker and Gordon), 209
- staircase closure of lower lip (Alexander), *letter*, 543; reply (Sullivan), 543

Lipodystrophy, symmetrical, with hypothyroidism (Taylor and Wilansky), *case report*, 517

Lipoma, of the thumb in a child (Kalisman and Beck), *case report*, 165

Lymphoma, non-Hodgkin, of the parotid gland (Macht et al), 37

Malarplasty, corrective, and augmentation (Agban), 306

## Mammoplasty

- augmentation mammoplasty: a surgical and psychiatric evaluation of the results (Ohlsén et al), 42
- capsular contraction around silicone mammary prostheses (Gayou and Rudolph), *overview*, 62
- custom-fabricated silicone implants for contour restoration (Lash et al), 97
- mammary reduction combined with reverse abdominoplasty (Baroudi et al), 368
- reduction mammoplasty (McKissock), *how I do it*, 321
- reduction mammoplasty with maximum superior subdermal vascular pedicle (Conroy), 189
- volume reduction mammoplasty (Cloutier), 475

## Mandible

- technique for achieving stability when wiring small bone fragments (Brody), *gadgetry*, 259
- total prosthetic replacement of the temporomandibular joint (Kiehn et al), 5

## Mastectomy

- breast reconstruction after mastectomy (Guthrie and Imber), 273
- multicentric ductal and lobular atypia and occult carcinoma in prophylactic subcutaneous mastectomy (Goin and Kern), 121

## Mastopexy, and simultaneous augmentation for correction of the small, ptotic breast (Owsley), 195

McIndoe, Sir Archibald (Rees et al), *as I remember*, 167Meloplasty. *See* Rhytidectomy

## Meningomyelocele

- versatility of lumbar transposition flaps in the closure of meningomyelocele (Bajaj et al), 103; invited comments (Davies and Adendorff), 107

## Message from the Editor

- additions to the Editorial Board, 367
- Annals* completes first year of publication, 1

## Microsurgery

- advantages of interpositional long venous grafts in microvascular surgery (Staub and Morel-Fatio), 16
- effects of suturing technique and vessel size on patency after microarterial repair (Wray and O'Brien), 233
- have myocutaneous and microvascular flaps completely outmoded classic pedicle flaps? (Jurkiewicz), *ask the Annals*, 176
- microsurgical repair of peripheral nerve injuries in the upper extremity (Lilla et al), 24

Muscle transposition, management of leg ulcers by (Ger), *how I do it*, 53; *colloquium* (Dibbell), 59

## Neck

- anatomical basis for common cosmetic anterior neck deformities (Vistnes and Souther), 381
- surgical correction of the fatty fallen neck (Guerterosantos), 389

## Nerves

- microsurgical repair of peripheral nerve injuries in the upper extremity (Lilla et al), 24
- neurogenic tumors of the head and neck in children (Rice and Coulthard), *overview*, 441

## Nose

- centripetal rotation-advancement for cleft lip nasal deformities (Gorney and Rosenberg), 374
- classification of injuries of the nasal skeleton (Stranc and Robertson), 468
- septorhinoplasty photos (Cohen), *letter*, 455; *reply* (Courtiss), 455
- skin abuts skin at the alar margins of the nose (Natvig et al), 428
- silicone intubation for lacrimal canaliculi repair (Callahan), *over the fence*, 355

## unexpected bleeding after elective nasal surgery (Goldwyn), 201

unsuspected adenoid cystic carcinoma in secondary rhinoplasty (Goldwyn), *case report*, 338Nylon, bridal veil, in skin grafting (Freeman), *letter*, 182; *reply* (DiGregorio), 182

## Over the fence

- blepharospasm (Callahan), 266
- management of elective hernia repair (Iles), 538
- silicone intubation for lacrimal canaliculi repair (Callahan), 355
- slit-lamp biomicroscopy (Turtz and Fisher), 177

## Overviews

- capsular contraction around silicone mammary prostheses (Gayou and Rudolph), 62
- neurogenic tumors of the head and neck in children (Rice and Coulthard), 441
- role of the plastic surgeon in a cancer hospital (Sinclair), 246

## Parotid duct transplantation, a follow-up investigation (Massengill et al), 205

## Parotid gland, non-Hodgkin lymphoma of (Macht et al), 37

## Pentazocine, ulceration from (Irons et al), 286

Pharyngoplasty (Lindsay), *how I do it*, 511

## Pharynx

- pharyngoesophageal reconstruction (Mazzola et al), 219
- pharyngoplasty (Lindsay), *how I do it*, 511

Photography, clinical, and Duchenne de Boulogne (Cuthbertson and Hueston), *background*, 332

## Plastic surgery

- aesthetic plastic surgery: who are its practitioners? what should they be? (González-Ulloa), *editorial*, 3
- aesthetic surgery: how it affects the way patients are perceived by others (Kalick), 128; invited comment (Fredricks), 133
- practice of plastic surgery in Canada (Farmer), *editorial*, 460
- role of the plastic surgeon in a cancer hospital (Sinclair), *overview*, 246
- specialty or standard of excellence? (Bossé), *editorial*, 466

## Plastic surgery quiz (Vistnes et al), 78 (answers, 91); 344 (answers, 363); 452 (answers, 456)

Reese, John Davies, and the Reese dermatome (Stark), *as I remember*, 80; *response* (Griswold), *letter*, 455Replantation. *See also* Microsurgery

- of heel in a child (Van Beek et al), *case report*, 154

## Rhinoplasty

- septorhinoplasty photos (Cohen), *letter*, 455; *reply* (Courtiss), 455
- unsuspected adenoid cystic carcinoma in secondary rhinoplasty (Goldwyn), *case report*, 338

- Rhytidectomy  
 variations of technique in face-lift operation (Zide and Laub), 114
- Rib graft, split, in situ (Hetter), 434
- Scalp, reconstruction following tumor resection, free groin flap for (Kaplan et al), *case report*, 445
- Septorhinoplasty, photos of (Cohen), *letter*, 455; reply (Courtiss), 455
- Silicone  
 capsular contraction around silicone mammary prostheses (Gayou and Rudolph), *overview*, 62  
 custom-fabricated silicone implants for contour restoration (Lash et al), 97  
 silicone intubation for lacrimal canaliculi repair (Callahan), *over the fence*, 355
- Skin cancer, geographic technique for margin control in (Rappaport et al), *gadgets*, 264
- Split rib graft, in situ (Hetter), 434
- Stensen's duct, carcinoma of (Clairmont et al), *case report*, 158
- Suturing  
 effects of suturing technique and vessel size on patency after microarterial repair (Wray and O'Brien), 233  
 review of long-term use of pull-through sutures in hypospadias correction (Gupta), 316
- Tattoo removal using carbon dioxide laser (Brady et al), 482
- Temporomandibular joint, total prosthetic replacement of (Kiehn et al), 5
- Thigh  
 medial thigh lift (Schultz and Feinberg), 404  
 narrowing of the mons pubis during thigh lifts (Loeb), 290
- Thumb, lipoma of in a child (Kalisman and Beck), *case report*, 165
- Thyroid  
 symmetrical lipodystrophy with hypothyroidism (Taylor and Wilansky), *case report*, 517
- Transposition flaps, versatility of in closure of meningocele skin defects (Bajaj et al), 103; invited comments (Davies and Adendorff), 107
- Transsexual surgery (Foerster), *letter*, 269; reply (Simon), 269
- Tumors. *See also* Cancer  
 conservative treatment of keratoacanthoma (Stranc and Robertson), *case report*, 525  
 lipoma of the thumb in a child (Kalisman and Beck), *case report*, 165  
 pretracheal cervical granular cell myoblastoma (Polack), *case report*, 75
- Ulcers  
 management of leg ulcers by muscle transposition (Ger), *how I do it*, 53; *colloquium* (Dibbell), 59  
 pentazocine ulceration (Irons et al), 286
- Vagina  
 dynamic correction of intractable vaginal prolapse (Dibbell), *case report*, 254
- Y-V Plasty, multiple (Shaw and Li), 436
- Z-Plasty, in the ER? (McDowell), *letter*, 454; reply (Metzger), 454
